TO: All County Welfare Directors

Letter No.: 86-74

SUBJECT: LYNCH V. RANK (PICKLE) HANDBOOK

The attached Pickle handbook contains the changes that have been made for use when completing the Lynch v. Rank (Pickle Amendment) eligibility determinations during 1986. These instructions combined with the information provided in All County Welfare Directors Letter 86-64 are to be used when completing the annual reviews during December 1986, and January and February 1987.

At this time, county welfare departments (CWDs) may discard all previously issued Pickle handbooks. All of the necessary information for completing a Pickle eligibility determination is contained in this new handbook.

Additional copies will be available soon and will be sent to everyone on the Department of Health Services mailing list who currently receives a Medi-Cal Eligibility Manual. CWDs should notify Kristi Banion prior to 1/1/87 if the Handbooks are to be sent to other than the Medi-Cal Manual mailing list. At that time please provide us with the number of Handbooks your county will need and the name and address of the person to whom they should be sent.

This handbook will be updated annually, in March, to reflect the SSI/SSP changes and the new manuals will be distributed at the time of the mandatory annual Pickle training.
